Ombersley and Doverdale Neighbourhood Plan Regulation 16 Consultation Wychavon District Council Officer Comments

These Officer comments are made on behalf of Wychavon District Council (WDC), as the Local Planning Authority, on the Regulation 16 Ombersley and Doverdale Neighbourhood Plan (ODNP) for consideration by the Independent Examiner.

All comments made by Officers in the Council's representation to the Regulation 14 consultation have been taken account of, and there are no outstanding issues. As such, Officers have no further comments to make.

Officers consider that the ODNP is well written and that the policies reflect the Vision and Objectives for Ombersley and Doverdale, and that the Steering Group should be commended for reaching this stage of the Neighbourhood Planning process.
