OBJECT

Policy P2 – Housing Mix Policy

Please use the space below to make comments on this part of the Neighbourhood Plan.

This policy is inconsistent with the housing mix and affordable housing policies of the SWDP. Further the policy is imprecise and unclear in its application, e.g. are all the forms of housing listed in the policy to be provided on one site, irrespective of the total amount of housing over 3 units?

The draft PPHDP does not fulfil the basic conditions.

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Plan proposal:
