Dear Mr. Ford,

Neighbourhood Plan – Application for Designation of a Neighbourhood Plan.

In accordance with the provisions of the relevant legislation (the “Neighbourhood Planning” (General), Regulations 2012, Town and Country Planning Act 1990 (as amended) Schedule 9 “Neighbourhood Planning” of Localism Act 2011), Ombersley and Doverdale Parish Council hereby submit this application for the designation of a Neighbour Area to Wychavon District Council.

Please find attached a map of Ombersley and Doverdale Parish identifying the area to which this application applies.

We confirm that Ombersley and Doverdale Parish Council is considered a relevant body for the purpose section 61G of the Town & Country Planning Act 1990 (as amended) to make an application for the designation of a Neighbourhood Area and the Parish Council at its meeting on the 18th July 2017 formally approved the development of a neighbourhood plan. This agenda precedes an open public meeting where villagers will be asked for their approval for a community led approach and involvement in the future of their community.

Ombersley and Doverdale covers a sizable area and while a number of home are around the centre of the village a large number of properties are situated around the parish to the outskirts of the parish.

The parish of Ombersley and Doverdale is largely comprised of domestic properties, businesses and agriculture. So as to provide and include all residents and commercial interest, it is therefore considered appropriate to designate the whole Parish of Ombersley and Doverdale as a Neighbourhood Area.

A Steering Group, comprising of Parish Councillors, residents and business people has been established to progress the plan and all residents of the parish will be invited to participate in creating the Neighbourhood Plan in Ombersley.

Kindest Regards,
