Dear Mr Sadler

PEBWORDH NEIGHBOURHOOD PLAN - REGULATION 16 CONSULTATION

Thank you for the invitation to comment on the Submission Neighbourhood Plan. Historic England is supportive of both the content of the document and the vision and objectives set out in it.

Our previous comments on the Regulation 14 Plan remain entirely relevant, that is: *“The emphasis on the conservation of local distinctiveness and variations in local character through good design and the protection of landscape character, along with the recognition afforded to historic farmsteads and archaeological remains is commendable.*

Overall the plan reads as a well-considered, concise and fit for purpose document which we consider takes a suitably proportionate approach to the historic environment of the Parish”.

Beyond those observations we have no further substantive comments to make on what Historic England considers is a good example of community led planning. I hope you find this advice helpful.

Yours sincerely,

Peter Boland
