OBJECT

Policy P1 – Site Allocation Policy – Land at Fibrex Nurseries

Please use the space below to make comments on this part of the Neighbourhood Plan.

The allocation of this site for housing purposes will not result in a sustainable form of development. The site is poorly related to the existing settlement pattern and would result in the loss of an employment site contrary to the policies of the SWDP, NPPF, and Policy P9 of the draft PPNDP.

The proposal would not meet the housing needs identified in the background papers to the PPNDP, or provide a suitable housing mix.

The draft PPHDP does not fulfil the basic conditions.

Please use a separate form for each representation.

Please state whether you would like to be notified of the Council's decision on the Neighbourhood Plan proposal:
