9 June 2016

Dear Andrew,

## **BREDON PARISH COUNCIL SUBMITTED NEIGHBOURHOOD PLAN REGULATION 16 CONSULTATION**

Thank you for forwarding me details of the consultation regarding the above document. Highways England ('We') are responsible for the operation and maintenance of the Strategic Road Network (SRN) in England. The SRN includes all major motorways and trunk roads. The SRN in the vicinity of Bredon Parish includes the M5 Motorway and A46 trunk road.

The Bredon Parish Neighbourhood Plan (BPNP) has been produced in order to allow the local community to identify priorities for its future along with highlighting methods to combat current and perceived future issues. The BPNP has been reviewed within context of the South Worcestershire Development Plan (SWDP) as the BPNP should support the policies put forward within the SWDP.

We are aware the SWDP was adopted in March of this year following Examination in Public and that there no new site allocations arise from the BPBP within the area. Consequently, we have no concerns with regards the impacts of the Neighbourhood Plan on the SRN as the transport implications arising from development sites with South Worcestershire have been considered during our engagement in the production of the SWDP.

Please do not hesitate to contact me if you require any more information or clarification.

Yours sincerely,

Chris Bate  
Operations Directorate
