Dear colleague,
Worcestershire County Council's Sufficiency & Place Planning team note the comments in the recently submitted (Droitwich Neighbourhood Plan). Where planned housing development has been identified, we will continue to monitor housing growth in and around the local area and respond appropriately to ensure a sufficiency of school places, in line with current published policies.

We will continue to work with schools serving the local area to protect and enhance school assets and playing fields, in line with Government policies on the delivery of statutory education provision.

Kind regards,

Jessica Lee
