Dear Sir/Madam

## Designation of a Neighbourhood Area by Hanbury Parish Council

Wychavon District Council has received an application for the designation of a Neighbourhood Area by Hanbury Parish Council. The district council has now published the application and area map on its website.

The application is advertised to invite representations on the appropriateness of the proposed area boundary, to consider whether there are any reasons why the district council should not make the area designation.

Your comments on the designation of the neighbourhood area are invited. Comments may be submitted by e-mail to [policy.plans@wychavon.gov.uk](mailto:policy.plans@wychavon.gov.uk) or by post to Policy Plans Team, Planning & Housing, Wychavon District Council, Civic Centre, Queen Elizabeth Drive, Pershore, Worcestershire WR10 1PT from **Monday 9 June 2014 to be received by 5:00pm on Monday 21 July 2014.**

The designation of the neighbourhood area is the first formal stage in the neighbourhood plan process. A neighbourhood plan is a community-led framework for guiding future development, regeneration and conservation in an area. As part of its preparation, there is a statutory duty by way of the Localism Act, to carry out community and stakeholder consultation.

If you have any queries or require further information, please contact me directly on the details provided below.

Yours faithfully

Andrew Ford
